

World Hunger Service Learning Project

AP World: Modern 2021

The students in Mrs. Clark's AP World History class completed research to learn more about the issue of hunger in countries around the world. Please take some time to explore each of their websites to learn about why there are issues with hunger, what has been done to help, and what we can all do to help out. If you can ***please download the FREE RICE APP*** that supports the United Nations World Food Program. Instructions are below--**help us to reach our goal of 1,000,000 grains of rice!!**
